

Nazarbayev Intellectual School of Astana Admission Guidelines

1.1. This guiding document to the organization and conduction of the competitive selection of students in 7 grades of Nazarbayev Intellectual Schools was developed in accordance with the Instruction on the procedure for organizing and conducting a competition for the award of an educational grant of the First President of the Republic of Kazakhstan - Elbasy "Orken" to pay for the education of gifted children in the autonomous educational organization "Nazarbayev Intellectual Schools", approved by the decision of the Board of the AEO "Nazarbayev Intellectual Schools" dated December 31, 2021 (Minutes No. 68), subject to amendments and additions dated November 24, 2022 (Minutes No. 60).

1.2. The Autonomous Education Organization (AEO) revises the admission policy every 5 years (а также по необходимости). This document was last updated in June 2023.

1.3. All students undergoing the admission process described in Access and_or admission policy are eligible to be admitted to the Middle Years Programme year 2, with no additional filters than their score in the Aptitudinal and Language tests described in this document.

1.4. The number of students admitted is determined by the Autonomous Education Organization (AEO) based on the resources allocated for the school in that academic year.

1.5. All students in grade 10 (MYP year 5) are eligible for admission to the Diploma Programme upon completion of their academic studies and the fulfillment of the School's Assessment Policy.

1.6. Students enrolled in other schools of the NIS network are eligible to transfer to Nazarbayev Intellectual School of Astana, subject to place availability in the required grade level.
